How to install without tape measure

1. Assemble 3 pieces together

2. Set Measure Me stick on the floor leaning tight against the wall

3. Mark the **TOP EDGE** of the unit with a pencil

4. Install anchor at the pencil mark

5. Line up the **TOP HOLE** with the anchor and screw in the 2" screw

6. Ensure the Measure Me stick is straight vertically

7. Mark out the BOTTOM HOLE

8. Install the anchor

9. Screw in the 2" screw

10. Ready to Measure!
